Authority

The functions, powers and duties as the District Licensing Committee is delegated to the committee chairperson where no objection has been filed, and no matters of opposition have been raised by the Police, Medical Officer of Health, and Inspector, in respect of the following applications:

- an application for Renewal of Off Licence – Innovation Liquor Limited

Statutory Provisions

- Section 191(2) of the Sale and Supply of Alcohol Act 2012 (The Act)
- Council resolution dated 4 December 2013 (TRIM document D13/102672);
- There is no Local Alcohol Policy in place.

Summary of Evidence

Reports from Police, Medical Officer of Health, and an Inspector appointed under the Act do not oppose the issue of the application. Based on the information provided to me on the complete files, I have determined not to convene a public hearing.

Evaluation of Evidence

I have considered these applications on the basis of the reports received where no objections have been raised, and noted that there have also been no public objection. In considering whether to renew the Off Licence I have also considered the criteria set out in section 131 of the Act.

Decision and Reasons

All reports are satisfactory and no objections have been raised to the granting the renewal of the Off Licence. I therefore conclude there is no reason not to grant this application. Therefore I determine that this application be granted as follows by way of Decision Number 14/2016
