# HOROWHENUA DISTRICT COUNCIL LOCAL ALCOHOL POLICY

# 1. INTRODUCTION AND EXPLANATORY MATERIAL

- 1.1 The Sale and Supply of Alcohol Act 2012 (the Act) has the following objectives:
  - (a) that the sale, supply and consumption of alcohol should be undertaken safely and responsibly; and
  - (b) the harm caused by the excessive or inappropriate consumption of alcohol should be minimised.
- 1.2 Alcohol related harm is defined very widely and includes any crime, damage, death, disease, disorderly behaviour, illness or injury, and harm to individuals or the community, either directly or indirectly caused by excessive or inappropriate alcohol consumption.
- 1.3 The Act allows territorial authorities to make a local alcohol policy (LAP). The LAP is a set of policies, made by the Council in consultation with its community, about the sale and supply of alcohol in its geographical area. Horowhenua District Council has decided to develop a LAP for its district and to set restrictions and conditions for licensed premises within the district.
- 1.4 Once the LAP comes into force, Council's District Licensing Committee (DLC) and the Alcohol Regulatory Licensing Authority (ARLA) must have regard to the policy when they make decisions on licence applications.
- 1.5 Once adopted, the LAP will enable the District Licensing Committee to:
  - Limit the location of licensed premises in particular areas or near certain types of facilities, such as in specific neighbourhoods or near schools or churches;
  - Limit the density of licensed premises by specifying whether new licences or types of licences should be issued in a particular areas;
  - Impose conditions on groups of licences, such as a "one-way door" condition that would allow patrons to leave premises but not enter or re-enter after a certain time;
  - · Recommend discretionary conditions for licences;
  - Restrict or extend the default maximum trading hours set in the Act, which are:
    - o 8.00 am 4.00 am for on-licences (such as hotels and restaurants)
    - o 7.00 am 11.00 pm for off-licences (such as bottle stores and supermarkets).
- 1.6 Where the LAP does set maximum trading hours, the District Licensing Committee has discretion to set the permitted trading hours as more restrictive than the maximum trading hours in the LAP.
- 1.7 The LAP can be more restrictive in its provisions relating to licensed premises, but cannot permit activities not allowed by the District Plan. The Horowhenua District Plan provides for entertainment activities (including licensed premises) within the commercial zone, or by resource consent.
- 1.8 Section 117 of the Act permits the District Licensing Committee and the Alcohol Regulatory Licensing Authority to issue any licence subject to "any reasonable conditions not inconsistent with this Act". The LAP includes policies to guide the District Licensing Committee and Alcohol Regulatory Licensing Authority as to the discretionary conditions that may be appropriate.

#### 2. CRITERIA FOR CONSIDERING LICENSING APPLICATIONS

- 2.1 The purpose of the LAP is to provide local guidance to the Council's District Licensing Committee in deciding whether to issue or renew a licence.
- 2.2 Under section 105 of the Act, the DLC has to have regard to a range of matters in addition to any relevant local alcohol policy when considering a licence application. The types of matters include:
  - the object of the Act;
  - the suitability of the applicant;
  - the design and layout of any proposed premises;
  - whether (in its opinion) the amenity and good order of the locality would be likely to be reduced, to more than a minor extent, by the effects of the issue of the licence;
  - whether (in its opinion) the amenity and good order of the locality are already so badly affected by the effects of the issue of existing licences that—
    - they would be unlikely to be reduced further (or would be likely to be reduced further to only a minor extent) by the effects of the issue of the licence; but
    - o it is nevertheless desirable not to issue any further licences.
- 2.3 The Act says that a licence may be refused or conditions applied if the issue of the licence, or the consequences of the issue of the licence, would be inconsistent with the LAP (section 108 and 109). Where a licence is renewed and it will be inconsistent with the provisions of the LAP, conditions may be imposed (section 133).

#### 3. GOALS OF THIS LAP

The LAP provides direction for the DLC so that licensing decisions:

- contribute to Horowhenua being a safe and healthy District;
- reflect local communities' character and amenity and their values, preferences and needs;
- encourage licensed environments that foster positive, responsible drinking behaviour and minimise alcohol-related harm.

# 4. OBJECTIVES OF THE LAP

The objectives of the LAP are to provide a policy which:

- reflects the views of local communities as to the appropriate location, number, hours and conditions that should apply to licensed premises within their communities;
- provides certainty and clarity for applicants and the public as to whether a proposed license application will meet the criteria of the LAP;
- provides effective guidance for the decisions of the DLC and ARLA.

#### 5. **DEFINITIONS**

5.1 When reading this LAP, the following words and phrases have been used. For further details refer to the section of the Act referenced.

Page 4 of 10 Local Alcohol Policy

# 5.2 Types of Licences

- **on-licences** where the licensee can sell and supply alcohol for consumption on the premises and can let people consume alcohol there (see section 14 of the Act);
- **off-licences** where the licensee sells alcohol from a premises for consumption somewhere else (see section 17 of the Act);
- club licences where the licensee (e.g. a club) can sell and supply alcohol for consumption on the club premises to authorised customers (see section 21 of the Act); and
- **special licences** which can be either on-site or off-site special licences. With an on-site special, the licensee can sell or supply alcohol for consumption there to people attending an event described in it. With an off-site special, the licensee can sell the licensee's alcohol, for consumption somewhere else, to people attending an event described in it (see section 22 of the Act).

# Notes:

Some premises hold more than one licence – for example, a tavern will hold an on-licence and may also hold an off-licence and be able to sell alcohol which is consumed off the premises.

The Act allows special licences to be issued for up to 12 months. Unlike other kinds of licence, special licences are not subject to the Act's default maximum hours so can apply up to 24 hours a day.
