Response - Official Information Request

I refer to your request for information received on 26/01/2021. Your request has been considered under the Local Government Official Information and Meetings Act 1987 (LGOIMA) and I provide the following information.

The drain pictured is located on Hokio Beach Road at the location marked on the right-side picture.

Please supply the following information:

- (i) The Resource Consent that allows this drain to exist.

No resource consent is required for a stormwater drain to exist. For reference, the following picture shows the location that is referred.

(ii) The Resource Consents for properties to discharge contaminated wastewater into this drain.

No resource consent is required for properties to discharge into this stormwater drain, as Council's policy for stormwater management is that it be managed onsite on individual properties. Property owners may not discharge stormwater directly to stormwater drains. Stormwater drains exist to service the roading infrastructure.

(iii) Evidence obtained by systematic monitoring and scientific analysis (the raw data) of the water quality from the past 5 years.

None available.

(iv) Evidence of compliance actions taken by HDC to prevent breaches of the pollution entering the waterway.

No compliance actions have been taken.
