**Response - Official Information Request**

I refer to your request for information received on 02/12/2021. Your request has been considered under the Local Government Official Information and Meetings Act 1987 (LGOIMA) and I provide the following information.

**To help with preparing my submission on the closure of the Levin landfill I would like to ask if council have seen any reports or hold information with regards to a waste to energy solution for the Levin landfill.**

**If you do have information on a waste to energy option at the Levin landfill, could you please email it to me or provide a link to where it can be found publicly.**

Council does not hold any information on a waste to energy option at the Levin Landfill. As published in the Manawatu Standard, Manawatu District Council is currently going through a waste to energy resource consent application.
