# 1. What is a Local Governance Statement?

A Local Governance Statement is a collection of information about the processes through which Horowhenua District Council engages with the residents of the Horowhenua District, how Council makes decisions, and how residents and ratepayers can influence those processes.

The Local Governance Statement supports the purpose of local government by promoting local democracy. The statement provides the public with information on the ways to influence local democratic processes.

The Local Governance Statement is a requirement of the Local Government Act 2002 and includes the following broad categories of information:

- functions, responsibilities, and activities of the council
- electoral arrangements
- governance structures and processes
- the way elected members make decisions and relate to each other
- the management structure and key policies of the council

**The purpose of local government is —**

(a) to enable democratic local decision-making and action by, and on behalf of, communities; and  
(b) to meet the current and future needs of communities for good-quality local infrastructure, local public services, and performance of regulatory functions in a way that is most cost-effective for households and businesses.

In this Act, good-quality, in relation to local infrastructure, local public services, and performance of regulatory functions, means infrastructure, services, and performance that are —

- (a) efficient; and  
(b) effective; and  
(c) appropriate to present and anticipated future circumstances.

The governance statement will be updated from time to time to ensure that its content is accurate and up to date. For the most recent copy please contact Council on (06) 366 0999 or visit our website [Click here](#)

## 2. Functions, Responsibilities and Activities

The Local Government Act 2002 sets out the purpose of local government as:

- (1) The purpose of local government is—
  - (a) to enable democratic local decision-making and action by, and on behalf of, communities; and
  - (b) to meet the current and future needs of communities for good-quality local infrastructure, local public services, and performance of regulatory functions in a way that is most cost-effective for households and businesses.
- (2) In this Act, good-quality, in relation to local infrastructure, local public services, and performance of regulatory functions, means infrastructure, services, and performance that are—
  - (a) efficient; and
  - (b) effective; and
  - (c) appropriate to present and anticipated circumstances.

The Local Government Act 2002 introduced changes to the way councils plan ahead, and as part of this, placed a responsibility on councils to work with their communities to identify the community's expectations and priorities – known as community outcomes.

Council has an obligation to ensure that its work programmes and services contribute to community outcomes.

Our Long-Term Plan (LTP) sets out the Community Outcomes and the Council's priorities for the next 10 years. It also provides information on budgets, rating levels, major projects and general Council services. A LTP highlights the Council's plans for the next 10 years, including the means of funding the Council's ongoing programmes and capital works projects. Horowhenua District Council is currently delivering on the Long Term Plan 2015–2025.

Council has overall responsibility and accountability for the proper direction and control of the district's activities. This responsibility includes areas of stewardship such as:

- Core infrastructure and Services (i.e. roadways, footpaths, water, sewerage and stormwater)
- Community Services and Facilities (i.e. libraries, recreational facilities and community facilities)
- Regulatory Functions and Services (i.e. building and resource consents, health, animal control, parking and general bylaws)
- Environment (i.e. parks, reserves and built environment)
- Local Economy (promoting a resilient and diverse economy)
- Local Democracy (i.e. access to Council information and public engagement opportunities)
- Financial Management of the Council (ensuring Council expenditure is affordable and sustainable)

### 3. Legislation

In conducting its activities, Horowhenua District Council exercises powers and fulfils responsibilities conferred on it by New Zealand and Local Legislation. The following outlines applicable statutory requirements. Please note this list is not exhaustive, but outlines those statutes which are most commonly used:

**Section 46(1) Local Government Act 2002** - Councillors can be held liable for losses resulting from negligence or unlawful action by the elected Council.

**Schedule 7 clause 1 of The Local Government Act 2002** - Any elected member (the Mayor or a councillor) will be disqualified if they cease to be an elector or become disqualified for registration as an elector under the Electoral Act 1993, or are convicted of an offence punishable by a term of imprisonment of two years or more.

**Local Authority (Members' Interests) Act 1968** - This regulates the circumstances under which a member has a pecuniary interest in a matter before the Council. Nobody may be elected to a Council, or once elected, remain a member, if the value of contracts between the Council and that member exceed \$25,000 in any financial year. Nor may a member participate in the discussion or voting on a matter in which the member has a direct or indirect pecuniary interest, except an interest in common with the public. If members are convicted of a breach of this requirement they will be automatically be disqualified from office. They may also be fined up to \$100. A disqualified member may, however, stand for election at a by-election.

**The Local Government Official Information and Meetings Act 1987 ("LGOIMA")** - The obligations of LGOIMA are binding on members. They apply to the disclosure of information by a member in respect of any information held by that member (in his or her capacity as member) to a member of the public. The underlying principle is that unless there is good reason to withhold it, information should be made available. Section 7 of the Act gives a number of grounds for withholding disclosure. The LGOIMA also sets out the procedural requirements for meetings of local authorities, the publication of agenda, procedures for discussion with the public excluded and access by the public to the minutes of meetings.

**Statutes Pertaining to Local Government** - In fulfilling its purpose, the Horowhenua District Council exercises powers and fulfils responsibilities conferred on it by various Statutes. These are:

- Local Government Acts of 1974 and 2002
- Local Electoral Act 2001
- Local Government (Rating) Act 2002
- Local Government Official Information and Meetings Act 1987
- Resource Management Act 1991

In addition, there are numerous other general Acts of Parliament that confer powers on the council and regulate its functions.

## 4. Local Legislation

In addition to the legislation that applies to all local authorities (in particular the Local Government Act, the Rating Act, the Resource Management Act, the Building Act, and the Reserves Act), Council is also bound by various local legislation (acts that apply specifically to it). These are:

- Levin Borough Empowering Act 1966 [1966, No. 22 (L)]
- Levin Borough Empowering Amendment Act 1968 [1968, No. 5 (L)]
- Levin Borough Empowering (Playford Park) Act 1948 [1948, No. 10 (L)]
- Levin Borough Empowering Amendment Act 1952 [1952, No. 54 564 (2)]
- Levin Borough Reserves Vesting and Empowering Act 1907 [1907, No. 12 (12)]
- Horowhenua County Loan Act 1910 [1910, No. 12 (L)]
- Manawatu County Loan and Empowering Act 1917 [1917, No. 2 (L)]
- Reserves and Other Land Disposal Act 1956 – Section 21 [Foxton Beach]
- Reserves and Other Land Disposal Act 1965 – Section 9 [Endowment]
- Reserves and Other Land Disposal Act 1968 – Section 13 [Land]

## 5. Bylaw

Where an issue is not already covered under existing legislation, Council may create a new bylaw provided that the proposed bylaw is the most appropriate form of bylaw; and does not give rise to any implications under the New Zealand Bill of Rights 1990. If a draft bylaw is approved, it will go out for public consultation. Horowhenua District Council must follow a special consultative procedure (with exceptions) on any proposed changes to an existing bylaw or in the creation of a new bylaw.

## 6. Requests for Official Information

Two pieces of legislation prescribe how and what information is disclosed and protected for Local Government.

They are:

- Local Government Official Information and Meetings Act 1987 (LGOIMA)
- Privacy Act 1993

### **Local Government Official Information and Meetings Act 1987 (LGOIMA)**

The purposes of this Act are –

- To provide for the availability to the public of official information held by local authorities
- To promote the open and public transaction of business at meetings of local authorities, in order
- To enable more effective participation by the public in the actions and decisions of local authorities; and
- To promote the accountability of local authority members and officials, and thereby enhance respect for the law and to promote good local government in New Zealand
- To provide for proper access by each person to official information relating to that person
- To protect official information and the deliberations of local authorities to allow for public interest and the preservation of personal privacy.

The underlying principle of the Act is the ‘principle of availability. That is, information should be made available unless there is good reason to withhold it.

Given the size of our organisation, a policy dealing with information requests needs to be simple and easy to use. Information to guide staff on when and how to apply either piece of legislation is required so Council can make appropriate and consistent decisions.

The Act also promotes the open and public transaction of business at meetings of local authorities.

Generally, members of the public are entitled to attend any meeting of Council or a committee of Council. There are times however when, for specific reasons, public may need to be excluded for the whole or part of a meeting. Any exclusion must be justified under the Act.

Official information includes any information held by a local authority. Most information held by a local authority is classified as official information. This can be held in any form including tape, electronic, maps, plans, etc. It does not include information contained in library or museum material used for reference or exhibition purposes.

Personal information includes information about a “natural” person (living identifiable person).

Once a request is made, the Council must supply the information within 20 working days unless there is a reason for withholding it. The Council may charge for official information under guidelines set down by the Ministry of Justice. This will apply particularly where considerable staff time is required to research information.

The LGOIMA says that information may be withheld if release of the information would:

- prejudice maintenance of the law;
- endanger the safety of any person;
- compromise the privacy of any person;

- reveal confidential or commercially sensitive information;
- cause offence to tikanga Māori or would disclose the location of waahi tapu;
- prejudice public health or safety;
- compromise legal professional privilege;
- disadvantage the local authority while carrying out negotiations or commercial activities;
- allow information to be used for improper gain or advantage.

## **Privacy Act 1993**

The Privacy Act 1993 amended the LGOIMA by removing the right of access to personal information about the person making the request, and requiring consultation with the Privacy Commissioner by the Ombudsman when considering a decision to withhold information on privacy grounds.

The Privacy Act deals with requests for personal information about a 'natural' person (living identifiable person). The objective of the Privacy Act is to provide protection for individual privacy. The Act's focus is on how information about a person is collected, used, disclosed, stored and accessed. There are 12 'principles' that should be adhered to.

## **Privacy Officer**

At least one person in the organisation is assigned the duties of a 'Privacy Officer'. That person's responsibilities include encouraging compliance with the Act and assisting the Privacy Commissioner to investigate any complaints made.

### *Key points for implementing the Act:*

- Only an individual who is in New Zealand or who is a citizen or permanent resident of New Zealand can make an information privacy request.
- Requests need not be in writing, can be verbal in person or over the phone
- To take all reasonable steps to grant the request within 20 working days after the request has been received
- Council may impose a charge in some circumstances. The individual making the request will be informed of the cost, should there be one, prior to officers proceeding with the request
- Council needs to communicate the reasons for refusing to provide information. It must also provide information on the right to seek a review from the privacy commissioner
- Legislation outlines the complaints process and powers of the Privacy Commissioner.

Horowhenua District Council processes requests for information in accordance with the Local Government Official Information and Meetings Act 1987 and the Privacy Act 1993. These aim to balance issues of transparency and public interest with limits on the disclosure of personal information. Releases of information are sent via email, where an email address has been supplied.

### *Information can be requested by:*

## 7. The Electoral System and the opportunity to change it

The Horowhenua District Council currently operates its elections under the First Past the Post (FPP) electoral system.

The other option permitted under the Local Electoral Act 2001 is the Single Transferable Vote system (STV).

Currently, voters rank candidates in order of preference. The number of votes required for a candidate to be elected (called the quota) depends on the number of positions to be filled and the number of valid votes.

Council can resolve to change the electoral system it uses at the next two elections or conduct a binding poll on the question, or electors can demand a binding poll under the Local Electoral Act 2001.

At least 5% of electors can initiate a poll by signing a petition demanding that a poll be held. Once changed, an electoral system must be used for at least the next two triennial general elections, ie the electoral system cannot change for one election and then change back for the next election.

## 8. Representation Arrangements

### 8.1 Wards

Horowhenua District is divided into four wards as shown on the map below. The Mayor is elected at large over the whole district.

Kere Kere Ward	5,580 (2 members)
Miranui Ward	2,940 (1 member)
Levin Ward	16,550 (5 members)
Waiopēhu Ward	6,380 (2 members)
<b>Total</b>	<b>31,450</b>

## 8.2 Community Board

Council has one Community Board - the Foxton Community Board. This Board is constituted under Section 49 of the Local Government Act 2002 to:

- represent and act as an advocate for the interests of its community
- consider and report on any matter referred to it by the Council and any issues of interest or concern to the Community Board
- make an annual submission to Council on expenditure in the community
- maintain an overall of services provided by the Council within the community
- communicate with community organisations and special interest groups in the community
- undertake any other responsibilities delegated by the Council (currently the Council has not delegated any such responsibilities)

The Foxton Community Board has a Chairperson and four other members. The five members are elected triennially by electors in the Board's community, and the Council appoints one member from the two Kere Kere Ward Councillors. The Board elects its own Chairperson and Deputy Chairperson at its first meeting after the triennial election.

Electors can demand the formation of a new community board. This is done by a process similar to the reorganisation process described in the Local Government Act.

## 8.3 Māori Wards

The Local Electoral Act 2001 also gives the Council the ability to establish separate wards for Māori electors. The Council may resolve to create separate Māori wards or conduct a poll on the matter, or the community may demand a poll. A petition of five percent (or more) of electors can require the Council to conduct a poll.

No action has been initiated to establish a Māori ward to date.

## 8.4 Review of Representation Arrangements

Local authorities are required to review representation arrangements at least once in every period of six years. Horowhenua District Council's last reviewed its arrangements in 2012 and retained the FPP system at a meeting on 3 August 2012. This decision was publically notified.

A review must include the following:

- The number of elected members
- Whether the elected members (other than the Mayor) shall be elected by the entire district, or continue to be elected by their ward (or a mix of both systems)
- The boundaries and names of those wards and the number of members that will represent each ward (if election by wards is preferred)
- Whether or not to have separate Māori wards
- Whether to have Community Boards and if so how many, their boundaries and membership and whether to subdivide a community for electoral purposes

The Council must follow the procedure set out in the Local Electoral Act 2001 when conducting this review. It should also follow guidelines published by the Local Government Commission. The Act gives electors the right to make a written submission to the Council, and the right to speak to the submission at a hearing.

Electors have the right to appeal any decisions on the above to the Local Government Commission, which will make a binding decision on the appeal. Further details on the matters that the Council must consider in reviewing its membership and basis of election are found in the Local Electoral Act 2001.

## 9. Structure and Reorganisation Proposals

The Local Government Act 2002 sets out procedures, which must be followed during proposals to:

- Make changes to the boundaries of the District
- Create one or more new territorial local authorities (city or district councils)
- Create a unitary authority, ie transfer the functions of Horizons Regional Council to district councils in the Manawatu-Wanganui region
- Transfer a particular function or functions to another council.

The process begins when an application is lodged with the Local Government Commission. This can be done by any person, body or group, including a local authority or the Minister of Local Government.

Further information on these requirements is in the Local Government Act 2002, Schedule 3. The Local Government Commission has also prepared guidelines on procedures for local government reorganisation, which are available on its website [Click here](#)

## 10. Members' Roles and Conduct

A key to the efficient running of any council is that there is a clear division between the role of Elected Members and that of management.

### 10.1 Division of Responsibility between the Council and Management

The Local Government Act 2002 sets out a series of governance policies that support the principles of local government.

The Council is required to publish a Local Governance Statement. This clarifies the governance and management responsibilities together with the governance role and expected conduct of elected members. The Statement describes the effective, open and transparent processes used by Council. This ensures separation of regulatory and non-regulatory responsibilities and explains the good employer requirements.

Council's Local Governance Statement ensures the community has information on the processes the Council follows when making decisions and taking action and how the community can influence these processes.

While Council has delegated many of its functions, it maintains overall responsibility for effective systems of internal control. Internal control includes the policies, systems and procedures established to provide measurable assurance that specific objectives will be achieved.

### 10.2 Role of the Council

The Council has overall responsibility and accountability for the proper direction and control of the Council's activities in pursuit of community outcomes. This responsibility includes:

- Formulating the District's strategic direction in conjunction with the community - Long Term Plan (LTP)
- Determining the services and activities to be undertaken
- Managing principal risks
- Administering various regulations and up-holding the law

- Monitoring the delivery of the LTP and Annual Plan
- Ensuring the integrity of management control systems
- Safeguarding the public interest
- Ensuring effective succession of elected members
- Reporting to ratepayers.

The Mayor and Councillors of the Horowhenua District Council have the following roles:

- setting the policy direction of Council
- monitoring the performance of the Council
- representing the interests of the District (on election all members must make a declaration that they will perform their duties faithfully and impartially, and according to their best skill and judgment in the best interests of the District)
- employing the Chief Executive Officer (under the Local Government Act 2002, the local authority employs the Chief Executive Officer who in turn employs all other staff on its behalf)

### 10.3 Mayor

The Mayor is elected by the District 'as a whole', and as one of the elected members, shares the same responsibilities as other members of Council. In addition, the Mayor has the following roles:

- Presiding member at Council meetings. The Mayor is responsible for ensuring the orderly conduct of business during meetings (as determined in Council's Standing Orders)
- Advocate on behalf of the community. This role may involve promoting the community and representing its interests. Such advocacy will be most effective where it is carried out with the knowledge and support of the Council
- Ceremonial head of Council
- Provides leadership and feedback to other elected members on teamwork and chairing committees.

### 10.4 Deputy Mayor

The Deputy Mayor is appointed by the Mayor at the first meeting of the Council following each triennial election. The Deputy Mayor exercises the same roles as other elected members. In addition, if the Mayor is absent or incapacitated, or if the office of Mayor is vacant, then the Deputy Mayor must perform all of the responsibilities and duties and may exercise the powers of the Mayor (as summarised above). The Deputy Mayor may be removed from office by resolution of Council.

### 10.5 Code of Conduct

Schedule 7 clause 15 of the Local Government Act 2002 requires every Council to adopt a Code of Conduct for the Elected Members of the Council. Horowhenua District Council adopted its Code on 1 February 2017. This code also applies to all persons appointed to Committees or Subcommittees of Council. A copy of the Code of Conduct can be made available upon request to Horowhenua District Council on (06) 366 0999 or 0508 800 800.

Horowhenua District Council's Code of Conduct provides guidance on the standards of behaviour expected from Elected Members in their dealings with each other, the Chief Executive, staff, the media and general public.

The objectives of the Code of Conduct are to enhance:

- the effectiveness of the Council as a good local government for the District
- the credibility of the Council
- Mutual trust, respect and tolerance among members as a group and between members and those people they deal with in the course of their duties.

The Code of Conduct is based on the following general principles of good governance:

- Public interest - members must serve the interests of the District as a whole, their primary duty is to the interests of the entire District, not just the ward that elected them
- Honesty and integrity - members must not place themselves in situations where their honesty and integrity may be questioned
- Objectivity - members must make decisions on merit, including decisions making appointments, awarding contracts, or recommending individuals for rewards or benefits
- Accountability - members must be accountable to the public for their actions and the manner in which they carry out their responsibilities
- Openness - members must be open about their actions and those of the Council
- Personal judgment - members can and will take account of the views of others, but must reach their own conclusions on the issues before them
- Respect for others - members must promote equality by treating people with respect
- Duty to uphold the law - members must uphold the law, and on all occasions act in accordance with the trust the public places in them.
- Stewardship - members must ensure that the Council uses its resources prudently and for lawful purposes, and that the Council maintains sufficient resources to meet its statutory obligations to both present and future generations.

## 12. Management Structure

The Chief Executive and staff are responsible for managing day-to-day operations and implementing Council's decisions and policies. The organisation is structured under six groups, each of which is headed by a Senior or Group Manager.

- Customer & Community Services
- Business Services
- Strategic Planning
- Infrastructure Services
- Finance
- Economic Development

Further information on Council's Leadership Team can be found by going to [Leadership Team](#)

The Local Government Act requires the Council to employ a Chief Executive whose responsibilities are to employ other staff on behalf of Council, implement Council decisions and provide advice to the Council. Under the LG Act the Chief Executive is the only person who may lawfully give instructions to a staff member. Any complaint about individual staff members should be directed to the Chief Executive, rather than the Mayor or Councillors.

Council is supported by a professional corporate organisation, led by the Chief Executive. Senior Officers provide Council with policy advice and are responsible for implementing Council's policies to achieve the results Council seeks to accomplish during the triennium.

## 13. Council Organisations

Part 1 of the Local Government Act 2002 identifies two types of organisations for which a local authority has governance responsibilities. Briefly, these organisations are described as:

1. Council Organisations (COs) – where one or more local authorities control one or more voting rights, or have the right to appoint one or more directors.
2. Council-Controlled Organisations (CCOs) – where one or more local authorities control 50% or more of the voting rights, or have the right to appoint 50% or more of the directors.

Each of these organisations delivers services, provides advice, or in some way supports the achievement of the objectives in the Council's Long Term Council Community Plan.

The Local Government Act 2002 requires that Council may appoint a person as a director of a CO or CCO only if the Council considers the person has the skills, knowledge and experience to:

- guide the organisation, given the nature and scope of its activities
- contribute to the achievement of the objectives of the organisation.

The Council is required to adopt a policy setting out an objective and transparent process for identifying and considering the skills, knowledge, and experience required of directors of a CO or CCO, and their appointment and remuneration.

The Council has direct and indirect shareholdings in a variety of CCOs and control, either through ownership greater than 50%, or the ability to appoint more than half of the board. These organisations all operate on a commercial basis at arm's length from the Council.

There are a number of regionally owned or controlled organisations in which the Council has an interest through ownership or representation, but does not have the ability to appoint more than half of the directors, or does not own 50% or more of the shareholding. These include Civic Assurance, MWLASS and Local Government Financial Agency, of which Council have a minor shareholder interest in.

The Council also has non-controlling interests in numerous Council organisations, by virtue of appointing one or more board members or trustees. These are generally "not for profit" bodies, and includes:

### Council Controlled Organisations

- **Shannon Community Development Trust** – Council appoints 100% of the Trustees to the Shannon Community Development Trust. The Shannon Community Development Trust distributes funding to support projects that bring benefits to the Shannon community.

## 14. Appointments to Statutory Bodies, Community Groups/Associations and Other Organisations 2016-2019

At the beginning of each term, Council appoints representation to statutory bodies, community associations and other organisations for the elected term. These appointments enable Council to support special interests groups and community orientated bodies within the community.

## 16. Meeting Processes

The legal requirements for council meetings are set down in the Local Government Act 2002 and the Local Government Official Information and Meetings Act 1987 (LGOIMA).

All Council and committee meetings must be open to the public unless there is reason to consider some items with the public excluded. Although meetings are open to the public, members of the public do not have Public Participation time allocated unless they make prior arrangements with the Council.

More information about how to request time to speak to an item on the agenda at a Council or committee meeting can be found [Click here](#) or by calling Council.

The LGOIMA contains a list of the circumstances where councils may consider items with the public excluded. These circumstances generally relate to protection of personal privacy,

professionally privileged or commercially sensitive information and, the maintenance of public health, safety and order.

Council is required to adopt a set of Standing Orders for the conduct of its meetings and those of its committees.

The Horowhenua District Council adopted their Standing Orders for Meetings on 1 February 2017. These can be found on Council's website. During meetings of the Council or committees, all council members must follow Standing Orders unless Standing Orders are suspended by a vote of three-quarters of the members present and voting. The Mayor or committee chair is responsible for maintaining order at meetings.

The Council agenda is a public document, although parts may be withheld if it contains an item that is to be considered with the public excluded.

Minutes of meetings must be kept and made publicly available, subject to the provisions of the LGOIMA.

For an ordinary meeting of the Council, at least 14 days notice of the time and place of the meeting must be given. Extraordinary meetings can generally be called on three working days' notice.

Monthly meeting schedules are required to be publicly notified together with the dates, times and venues of meetings to be held. Copies of order papers can be viewed either from the Horowhenua District Council Service Centres, Libraries and Council's website [Click here](#)

## 17. Engagement and Consulting with Māori

There are four Iwi within the boundaries of the Horowhenua District Council – Muaūpoko, Ngāti Raukawa ki te Tonga, Ngāti Apa and Rangitāne. Horowhenua District Council recognises the importance and special position of tangata whenua within the district.

Engaging and consulting with Māori is important and as such Council is looking to enhance relationships by creating a Māori Advisory Group. This will provide for an opportunity for a more solid and consistent working relationship with Māori across the district. In addition, this will achieve more meaningful and effective consultation on a wide range of issues affecting not only Māori, but the wider community.

Protecting the environment, economic growth and social wellbeing is important to Council and Māori. As such it is vital that those with local knowledge and experience are consulted on a range of issues, activities and plan reviews such as Long Term Plan, Annual Plan and District Plan to name a few.

Through its decision-making processes, Council recognises the principals of the Treaty of Waitangi and kaitiakitanga, providing for the relationship of Māori and their traditions with their ancestral lands, water sites, waahi tapu and other taonga. And further, Council recognises its obligations under the Local Government Act 2002 to establish and provide opportunities to Māori to contribute to its decision-making processes and make information available to Māori for this purpose.

More information about these Iwi partnerships can be viewed at [Click here](#)

## 18. Key Approved Planning Documents

The following are key Council planning and policy documents. To view or find out more about these plans, reports, policies or strategies, please contact Council.

### **The Long Term Plan (LTP)**

A Long Term Council Community Plan (LTP) must be prepared that sets out Council's priorities for the next 10 years. It must provide information on budgets, rating levels, major projects and general Council services. It must also outline Horowhenua District's community outcomes – the aspirations of the community for the next 10 years or so – and Council's role in meeting them. The current LTP was adopted in June 2015 for the financial year beginning 1 July 2015. The Plan is reviewed and updated every three years, with the next review due in 2018 for the 2018-28 period.

### **Annual Plan**

In intervening years where an LTP is not prepared, an annual plan must be prepared. Each annual plan will describe the work programme to deliver that year's 'slice' of the LTP.

### **Annual Report**

After the end of the financial year Council publishes an annual report which contains audited accounts for the previous financial year. The purpose of the annual report is to:

- Compare the actual activities and actual performance of the local authority in the year with the intended activities and performance as set out in the LTP or annual plan
- Promote the local authority's accountability to the community for decisions made throughout the year by the local authority.

The Annual Report must be adopted by the end of October each year and contain an audited financial statement, set of accounts, and annual financial report which assesses Council's financial performance against its budget. Audit NZ are responsible for auditing Council's financials.

### **Horowhenua District Plan**

The District Plan is Council's key document for managing the district's natural and physical resources in terms of Council's functions and duties under the Resource Management Act 1991. The District Plan identifies the district's significant resource management issues and sets out objectives, policies and rules to address these issues.

The Council's second generation District Plan became operative on 1 July 2015 following the review of the Horowhenua District Plan (1999).

**The following Strategies and Action Plans can be found on Council's website. These strategies and plans have been adopted by Council and inform the strategic vision and work plan for Council:**

- Horowhenua Shared Pathways Strategy

## 19. Consultation

The Horowhenua District Council carries out consultation according to the Local Government Act 2002. The Act sets out consultation requirements and principles for Council (sections 75-87) to follow when making decisions. You can find out more by visiting [Click here](#)

Following a review of Council's engagement activities, strategy and policy, Council has updated its Significance and Engagement Policy and will engage with the public on the revised policy, through the draft 2017/18 Annual Plan engagement process.

The major recommendation is that the policy includes Council's engagement principles in its Community Engagement Strategy and that the strategy is rescinded.

### 19.1 Special Consultation Procedure

The Special Consultative Procedure has specific procedures that Council must follow when making certain types of decisions. The Special Consultative Procedure (mainly sections 83-87 of the Local Government Act 2002) is regarded as a minimum process that the Council must use when making decisions that trigger particular criteria within the Local Government Act 2002 or the Council's Significance and Engagement Policy.

### 19.2 Significance and Engagement Policy

Council's Significance and Engagement Policy (required under LGA 2002) outlines:

- general approach to determining the significance of proposals and decisions
- criteria or procedures for assessing the extent to which issues, proposals, assets, decisions, or activities are significant or may have significant consequences
- how the local authority will respond to community preferences about engagement on decisions relating to specific issues, assets, or other matters, including the form of consultation that may be desirable
- how the local authority will engage with communities on other matters.

The purpose of the policy is for the council and the community to identify significance and have clarity about how the council will engage with the community.

The Council can and does conduct consultation outside of these processes. A range of consultation techniques have been used including surveys, focus group meetings, meetings and displays.
